Dear Friends,

We hope you and your family have had a wonderful fall and first semester of school. It's hard to believe that the holidays are just around the corner! It's that time of year when many organizations reach out to their members to solicit year-end donations. We know that you receive many such requests but would like to ask that you consider joining the Friends of Acton-Boxborough SpEd PAC, Ltd. to support the many good works that our organization does in support of the AB SpEd PAC's mission and goals. It only costs \$10 to join the Friends of AB SpEd PAC and your membership fee and/or donation will go directly towards funding high-quality speakers and workshops for parents and educators in our school district, creating valuable resources for our community, and hosting family events and activities to connect families within our school district. To join the Friends of AB SpEd PAC or make a gift to our organization just fill out the form below and send with a check to Nancy Sherburne at the address below. Checks should be made out to "Friends of AB SpEd PAC, Ltd."

For those of you who are unfamiliar with the AB SpEd PAC, we are an organization of parents who gather to provide support to one another and work with the school district in a number of different ways to support the needs of special education students and their families. We provide many educational opportunities throughout the year for families by bringing in speakers on diverse topics, creating social opportunities that bring families together, and providing feedback to the administration regarding special education programs and services.

We hope you will choose to support us. We want to continue to grow our services to the community and can only do that with your assistance. On behalf of the families and students who will benefit from your membership and/or donation, we sincerely thank you. If you have any questions about the AB SpEd PAC or Friends of the AB SpEd PAC, Ltd., please feel free to contact me at nsherburne@mindspring.com. May the spirit of the season fill your holidays!

With gratitude,

Nancy Sherburne
